

Betsy Ross School uses a web application called **Pick Up Patrol** to help us better manage our dismissal process and make it easier for you to make changes to your children's dismissal plans.

You will receive an email with registration instructions to set up your account within the next 24 hours. **Be sure to register right away, because the link does expire after a few days.** (Helpful hint: look in your junk folder if you do not see it in your inbox).

- After you register, the first step will be to enter your child's regular daily dismissal plan (default plan) within the app. Dismissal options are: CAR, BUS, YMCA or GODDARD (AM or PM depending on the student's cohort) For example, if your child will be a car rider M-F and they are picked up by a babysitter, mark them as an AM or PM car rider M-F and put the name of the babysitter in the comment section.
- If there are people other than the parents that you would like to authorize to pick up your child add their names to the comment section separated by commas.
- If your child will be a busser, please select **Bus (no info)**. We will update Pick Up patrol when we get that detailed information from the transportation director. **Please note, until the student is assigned to a bus by the transportation director you will need to plan to pick up your child by car.**
- Please enter your child's default plan **as soon as possible**. Having this information will help dismissal go smoothly on the student's first week of school.
- There is a link on the Betsy Ross website for PUP. Please download the link onto your phone's home page, or save this address in your favorites to have easy access to the web application after you register:
 - <https://app.pickuppatrol.net/parents/>

The Pick Up Patrol app is:

- **Convenient:** Make changes days, weeks or months in advance.
- **Reliable:** A confirmation email is sent to you each time you submit a plan change.
- **Safe:** Accurate dismissal tracking will help ensure a safe dismissal for all our students.

How it Works

- Pick Up Patrol (PUP) is free to parents and is accessed from your smartphone or computer.
- To make a dismissal change, simply log in, select a date, your child, and a plan change option. Then hit submit and that's it!
- Submit all same-day changes by **10:35 for the AM cohort and 2:40 for the PM cohort**. If you miss that daily cutoff time, please call 201-762-2251.
- Teachers will be automatically notified of any dismissal changes for the day and will communicate them to your child.
