Dear Mahwah School Community:

The Mahwah Public School District has opened the registration process for our 2019-2020 full-day kindergarten program.

It is of the utmost importance that we gather accurate and timely enrollment information about next year's incoming kindergarten class. Any resident child aged five on or before October 1, 2019 is eligible for enrollment.

Our district now uses an online pre-registration format for all incoming kindergarten students. The online pre-registration process consists of the submission of basic student enrollment information and a brief developmental survey completed by parents/guardians as well as links to health and physical forms, which will then be submitted as hard copies to the elementary school the child will attend in September. The pre-registration forms must be completed by Wednesday, February 28, 2019.

Pre-registration can be completed at:

<http://www.fridayparentportal.com/mahwah/preregistration>

All families of incoming kindergarten students need to provide proofs of residency to validate enrollment eligibility. A list of acceptable documents can be found on the online pre-registration link. Parents/guardians requiring information regarding which school their child will attend should contact the district administrative offices at (201) 762-2407.

Registration (*the sole purpose of which will be document collection*) will be held at all three primary schools, Betsy Ross, Lenape Meadows, and George Washington, as follows:
