English Language Arts/Literacy Assessment - Participation and Performance

This table shows information about the English Language Arts/Literacy section of the Partnership for Assessment of Readiness for College and Careers (PARCC) assessment both overall and by student group. The PARCC assessment has five performance levels, and students scoring a Level 4 or 5 (Met or Exceeded Expectations) have demonstrated readiness for the next grade level and are on track for college and careers. This table shows the number of valid test scores, the percentage of students that took the test, and the percentage of testers that met or exceeded expectations in the school, the district, and across the state. The last three columns of the table show the proficiency rate used for federal accountability, the annual target, and whether the target was met, as required by the Every Student Succeeds Act (ESSA) accountability. Student group rows where the annual target fields are grayed out are not required to meet annual targets under ESSA accountability. For more details on New Jersey's accountability system, see these [accountability resources](#).

English Language Progress to Proficiency

This table shows the percentage of English Learners who demonstrated the expected amount of growth on the ACCESS for ELLs 2.0 Assessment for English Language proficiency. Expected growth is based on the student's initial level of English Language Proficiency during the 2016-17 school year and the number of years the student has been enrolled in the district. This table also shows the school's 2017-18 ESSA accountability target and whether the target was met.

The New Jersey Student Learning Assessment for Science (NJSLA-S) measures student proficiency with the New Jersey Student Learning Standards for Science. All students in grade 5, grade 8, and grade 11 were administered the NJSLA-Science field test in 2017-18.

NJASK Science Assessment Information

New Jersey transitioned from the NJASK to NJSLA-S in 2017-18 to align to new science standards. Results of field tests in 2017-18 will not be reported, but results of NJSLA-S will be added to the performance reports in 2018-19.

Information about participation and performance on the PSAT, SAT, and ACT exams comes directly from College Board and ACT.

PSAT, SAT, & ACT - Participation

This table shows information about participation on the PSAT, SAT, and ACT exams. PSAT participation is the percentage of 10th and 11th graders that took the PSAT 10 or PSAT NMSQT exam in 2017-18. SAT and ACT participation rates show the percentage of 12th graders that have taken the SAT or ACT this year or in prior years.

Participation Type	School Participation Rate	State Participation Rate
10th and 11th graders taking PSAT 10/NMSQT in 2017-18	58.7%	85.0%
12th graders taking SAT in 2017-18 or prior years	85.6%	72.2%
12th graders taking ACT in 2017-18 or prior years	50.5%	24.6%

PSAT, SAT, & ACT - Performance

This table shows how students performed on the PSAT, SAT, and ACT tests by subject area. The table includes average test scores, college readiness benchmarks, and the percentage of students that scored at or above these benchmarks. Benchmarks were defined by College Board and ACT and students that score at or above these benchmarks have a high chance of success in credit-bearing college courses.

Participation Type	School Average Score	State Average Score	College Readiness Benchmarks	School - Students Scores at or above Benchmark	State - Students Scores at or above Benchmark
PSAT 10/NMSQT - Reading and Writing	539	478	Grade 10: 430 Grade 11: 460	87%	62%

Students in high schools begin to demonstrate college readiness behaviors long before they actually graduate from high school. These include participating in advanced course work such as **Advanced Placement (AP)** or **International Baccalaureate (IB)** courses and exams and **dual enrollment** courses where high school students can enroll in college courses for credit.

AP/IB Coursework – Participation and Performance

This chart shows the percentage of 11th and 12th graders who enrolled in one or more AP or IB courses, who took one or more AP or IB exams, and who had one or more exams with an AP score of 3 or higher or IB score of 4 or higher.

Dual Enrollment Coursework - Participation

This graph shows the percentage students enrolled in at least one dual enrollment course during the school year. Dual enrollment courses allow high school students to enroll in college courses for credit prior to their high school graduation.

AP/ IB Courses Offered

This table shows the list of AP/IB Courses that were offered by the school or for which students took the corresponding AP/IB exam along with the number of students enrolled and the number of students taking the exam. Students do not need to take a course to take the exam and not all students enrolled in a course take the exam. The last two rows show the total number of exams taken and the number of exams with AP scores of 3 or higher or IB scores of 4 or higher. Students who take multiple examples are counted more than once in the last two rows.

Student absences provide important information about a school's culture and climate. Research shows that absences impact a student's ability to succeed in school. The New Jersey Department of Education used input from New Jersey communities to select chronic absenteeism as its measure of school quality and student success for the ESSA accountability plan. **Chronic absenteeism** is defined as being absent for 10% or more of the days enrolled during the school year. A student who is not present for any reason, whether excused, unexcused, or for disciplinary action, is considered absent unless permitted by state statute or regulations.

Chronic Absenteeism

This table shows the number and percentage of students in grades K-12 both overall and by student group who were chronically absent during the school year. The last two columns show the chronic absenteeism state average for students in the grades offered and whether the rate for each student group was above the state average ("Not Met") or less than or equal to the state average ("Met").

School Day

This table shows the start and end times and length of school day for a typical student at this school. Instructional time is the amount of time that a typical student was engaged in instructional activities under the supervision of a certified teacher. Full time students attend this school for more than half of the school day and shared-time students attend the school for half of the school day or less.

Category	School
Typical Start Time	7:40 AM
Typical End Time	2:20 PM
Length of School Day	6 Hrs 40 Mins
Full Time - Instructional Time	6 Hrs 30 Mins
Shared Time - Instructional Time	3 Hrs. 50 Mins.

Device Ratios

This table shows the student to device ratio, which is the number of students in tested grades 3-11 per device. Devices are computers such as tablets, iPads, laptops and Chromebooks. The count includes only devices that meet nationally recommended specifications for digital learning in grades 3-11. This information comes from the elective NJTRAx survey, therefore data may not be available for all schools. Additionally, schools that have adopted a Bring Your Own Device policy may appear to have a very low Student to Device ratio due to this policy decision.

School Year	Student to Device Ratio

Per-Pupil Expenditures (District Level)

This table shows the total current expenses for regular and special education students taught within the district's schools. It includes expenditures for instruction, support services, administration, operations and maintenance, extra-curricular activities, and community service. More information about district and charter school spending can be found using districts' [User Friendly Budgets](#), or the NJDOE Finance [District Report Search](#) of the Comprehensive Annual Financial Reports (CAFRs) and Auditor's Management Reports (AMRs). NJDOE will be collecting school-level per-pupil expenditures data for the 2018-19 school year, and that data will be included in future reports.

New Jersey's school accountability system identifies schools that are in need of comprehensive and targeted support as required by the Every Student Succeeds Act (ESSA). For more information about New Jersey's accountability system, how indicator and summative scores were calculated, and how federal accountability status is determined, see these [accountability resources](#).

Comprehensive Status

This table shows whether this school is identified as requiring Comprehensive Support and Improvement during the 2019-20 school year and whether it will be eligible to exit comprehensive status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement.

Requires Comprehensive Support during the 2019-20 School Year	Eligible to exit status in January 2021	Eligible to exit status in January 2022
No	n/a	n/a

Targeted Status

This table shows whether one or more student groups in this school has been identified as requiring Targeted Support and Improvement during the 2019-20 school year and whether each student group will be eligible to exit targeted status in January 2021 or January 2022. Schools must meet exit criteria in order to exit status. Student groups with a summative score that would be in the bottom 5% of schools and student groups that miss annual targets for all indicators for two years in a row are identified as requiring Targeted Support and Improvement. Note: Schools identified as requiring comprehensive support may have student groups identified as needing targeted support below, but the date they are eligible to exit status is based on their comprehensive status.

Accountability Indicator Scores and Summative Rating - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Comprehensive Support and Improvement. This table shows the indicator scores for each indicator included in the accountability system and the weight that each indicator receives when calculating the overall Summative Score. The Summative Rating is the percentile rank of the Summative Score as compared to other schools across the state. Schools with a summative score in the bottom 5% of Title I schools or with a four-year graduation rate of 67% or less are identified as requiring Comprehensive Support and Improvement. For more information about New Jersey's accountability system and how these indicator scores were calculated, see these [accountability resources](#).

Accountability Summary by Student Group - 2017-18 School Year

New Jersey has developed a school accountability system as required by the Every Student Succeeds Act (ESSA) to identify schools that are in need of Targeted Support and Improvement. Any student group where the summative score would be in the bottom 5% of schools is identified for Targeted Support for a Low-Performing Student Group. Any student group that has missed annual targets for all indicators two years in a row is identified for Targeted Support for a Consistently Underperforming Student Group. In the table below, schools in which one or more student groups are identified for Targeted Sport will be noted in the Schoolwide row. Annual targets for proficiency and graduation rate were set based on a school or student group's performance in 2015-16. The target for chronic absenteeism is the state average for chronic absenteeism based on students enrolled in the grades served by the given school. For more details on accountability targets, see these [accountability resources](#).

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Highlights:

- Over 12 academic STEAM electives offered. STEAM facility - Thunderbird Think Tank (T3) under construction with completion date of September 2019.
- MHS was selected 2018 Best High School Silver by US News & World Report ranked 32 out of 422 NJ HS's and 901 nationally out of 21,000 eligible hs's. We improved our rank from 44 to 32 in 2018 in NJ.
- Award winning music, theater, and visual arts programs, as well as NJ State Future Problem Solving Champions.

Mission, Vision, Theme:

Mahwah, derived from the Lenni Lenape mawewi, is a place where people & paths meet. Mahwah High School is the meeting place where various neighborhoods converge as one community. Our mission is to ensure that rigorous and relevant curricula will pave the way for challenging & diverse opportunities for all students. Small learning communities will be the vehicle through which we pursue our mission by focusing on strong relationships, learning preferences, performance levels, and interests.

Awards, Recognition, Accomplishments:

Over sixty Mahwah High School students were recognized for their musical achievement through auditions & placement in the county, regional, and state groups. The remarkable musical theater production cast of Sound of Music received high praise from the school community. The Robotics Team 1672 participated in the local FIRST competition for the eleventh year. The Future Problem Solving Team won the NJ Future Problem Solving State Bowl & qualified for the Future Problem Solving International Bowl.

Courses, Curriculum, Instruction:

S.T.E.M. courses include: Computer Programming/Design, Interior & Structural Design using AutoCAD, Advanced Interior & Structural Design, Advanced Placement Computer Science Principles, Computer Animation 3-D, Humanoid Robotics, AP Computer Science A, Technology and Engineering Principles, Data Structures, Computer Modeling, STEAM Capstone Research/Internship, STEAM Design and Research. This year we added several new electives: AP Computer Science Principles.

Sports and Athletics:

Sports Offered: Baseball (Boys), Basketball (Boys & Girls), Bowling (Boys & Girls), Cheerleading (Coed), Cross Country (Boys & Girls), Diving (Boys & Girls), Football (Coed), Golf (Boys & Girls), Gymnastics (Coed), Ice Hockey (Coed), Lacrosse (Boys & Girls), Soccer (Boys & Girls), Softball (Girls), Swimming (Boys & Girls), Tennis (Boys & Girls), Track and Field - Spring (Boys & Girls), Track and Field - Winter (Boys & Girls), Volleyball (Girls), Wrestling (Coed)

The Boys and Girls Bowling teams won the Patriot Division Championships. 53 athletes were selected All-league First Team, 6 athletes were named All-County First Team Players, and 1 player was named to All State Team. 175 student-athletes earned Minds in Motion recognition.

Clubs and Activities:

Our extra-curricular activities, musical opportunities, interscholastic athletics, and enrichment programs continue to provide students with diverse opportunities for exploring learning experiences and developing their talents. Students are extremely active in such programs as athletic teams, volunteer work, community problem solving, environmental projects, dramatic productions, academic competitions, school publications, musical competitions, and class activities. Every year, over 1000 NJ students audition for All-State Chorus. Of the 350 who are selected for the mixed chorus, only 16 students qualify to apply for the Governor's Award. MHS had a top Tenor selected as one of this year's four Governor's Award winners. MHS is pleased to announce that a sophomore student has won the designation 2017-2018 NJ TRIG-STAR for the state of New Jersey.

Before and After School Programs:

Mahwah High School offers symphonic band, string orchestra, and choir during zero period prior to the school day to avoid conflicts with other academic courses. We offer an SAT preparation course after the formal school day ends for interested students during the fall, winter, and spring.

Staff and Professional Learning:

Mahwah High School has an outstanding staff of caring and dedicated individuals who go above and beyond the call of duty for every student entrusted into their care. Faculty members continue to take courses and workshops to further their expertise in content and pedagogy. In-class support teachers & content area teachers have a common dedicated prep period scheduled each day. Content area teachers work in professional learning communities to create engaging lessons and common assessments.

Postsecondary Information:

We are proud to announce that 97.3% of our senior class received diplomas. Over 96.5% of our graduates went on to some form of higher education, 83.0% were accepted to four year colleges. The Class of 2018 had 907 college acceptances out of 1618 submitted applications. Five Ivy League acceptances included: Brown (1), Cornell (1), Dartmouth (1), and University of Pennsylvania (2). 1% of our graduates entered the United States Military. Many of our students begin their post-secondary careers having already earned college credit through our partnerships with Ramapo College of New Jersey, Farleigh Dickenson University, Seton Hall University, and Bergen Community College.

School Narrative

This section allows schools and districts to share highlights, achievements, and other important information about programs, activities, and services that are offered in their own words. If there are questions about the information provided in the narrative section, please contact your school directly.

Student Supports and Services:

Our guidance department provides a plethora of information through Naviance and Facebook about the college admissions process, testing, and related guidance services available to students and parents. In addition, parents and students can access all student information via the Realtime Parent and Student Portals. We have Intervention & Referral Service Team, full CST team, ESS therapeutic program, and ELL services available to students in need of these services.

Student Health and Wellness:

We offer a grade 9 student advisory that meets regularly and is designed to build relationships and provide faculty advocacy for each student. Advisory groups discuss topics relevant to the high school setting including stress management, mindfulness, bullying prevention, study skills, and community service. Students participate in physical education every day.

Parent and Community Involvement:

Parents and students can access student information including attendance, progress reports, report cards, course grades, activities, etc. via the Realtime Parent and Student Portals and mobile apps. The Home School Organization, various Boosters clubs, Special Education Parents Advisory Group, Mahwah Schools Foundation, and Mahwah Municipal Alliance work collaboratively to support academic and character education initiatives.

Facilities:

Our centrally air conditioned high school has a Wi-Fi access point in every classroom which allows us to use over 300 wireless laptops throughout the building for instructional purposes. Every classroom is equipped with a multimedia presentation system that is connected to the Internet. Our media center has a hub of 65 computer workstations that students and teachers may utilize before and after school, as well as during lunch and study hall periods.

School Safety:

MHS prioritizes the safety and wellbeing of students and staff through comprehensive security measures and emergency preparedness procedures. Security measures and related plans are updated annually based on best practices as well as recommendations from experts in the field including local law enforcement. In addition to prioritizing physical safety, MHS prioritizes school safety through school counseling and an array of support services to target and support social, emotional, and mental health.

Technology and STEM:

S.T.E.M. courses include: Computer Programming/Design, Interior & Structural Design using AutoCAD, Advanced Interior & Structural Design, Advanced Placement Computer Science Principles, Computer Animation 3-D, Humanoid Robotics, AP Computer Science A, Technology and Engineering Principles, Data Structures, Computer Modeling, STEAM Capstone Research/Internship, STEAM Design and Research. The FIRST Robotics Club combines the excitement of a varsity sport with the rigors of science and technology. Under strict rules, limited resources, and time limits, teams are challenged to raise funds, design a team brand, hone teamwork skills, and build and program robots to perform prescribed tasks against a field of competitors. It is as close to real-world engineering as a student can get.

Other Information:

We are proud to announce that 95.7% of the senior class received diplomas. Over 96.5% of our graduates went on to some form of higher education, 83.0% were accepted to four year colleges. The Class of 2018 had 907 college acceptances out of 1618 submitted applications. Five Ivy League acceptances included: Brown (1), Cornell (1), Dartmouth (1), and University of Pennsylvania (2). One percent of our graduates entered the US Military. Many of our students begin their post-secondary careers having already earned college credit through our partnerships with Ramapo College, Farleigh Dickenson University, Seton Hall University, and Bergen Community College. Others receive credit by scoring well on the Advanced Placement tests. Last year Mahwah High School offered 23 Advanced Placement (AP) courses spread over seven major curricular areas. Two-hundred eleven students took four hundred sixty-five AP Examinations in 26 subjects. We are proud of our National Merit Scholarship Finalist, 6 National Merit Commended Students, 39 Presidential Education Recipients, 70 Seal of Bi-literacy candidates, 48 members of the NHS, 17 Principal's Award Recipients, 7 Platinum Thunderbird Scholars (all grades in all courses were greater than 90% for all four years at MHS), and 6 Presidential Fitness Award Recipients. U.P.S. volunteers help students improve their reading skills with one to one assistance in the classroom each week. We continue to participate in a mentoring program with U.P.S. to facilitate life skills with at-risk students, both in and out of the classroom environment. Further, we are implementing Effective Schools Solutions, a wraparound program for at risk students who require therapeutic and academic support services within their home school. The Option Two programs include: Structured Learning Experience, community service, and co-curricular activities such as Marching Band, PE through athletic participation, PE off campus, and virtual distance learning programs.
