

*Building Community.
Enriching Lives.*

Dear Parents,

On behalf of the Mahwah Public Library, we welcome your child to a new school year!

The Library offers a wealth of programs and services designed just for teens such as

- Educational programs including special science and robotics workshops, arts & crafts, fun food activities, and much more
- Computers with the Internet and Microsoft Office to work on assignments or play games
- Online homework help, and essay review through Tutor.com
- A great selection of books, eBooks, graphic novels, music, movies and even popular video games

We encourage you to register your child for a Library card. It opens the door to a wealth of resources available from Mahwah and all 77 libraries in the Bergen County Cooperative Library System. You can apply for a card on our website or in person at the checkout desk.

Best of all, the Inbetween Team is dedicated to helping your child use and enjoy the Library in a friendly, age-appropriate setting. The Inbetween, on the Library's lower level, is a great place for teens to relax, meet up with friends, play games, enjoy programs and more in a high-energy setting. Teens who want to quietly read, study or work on homework are welcome to use the main floor. Please note that Library staff cannot act in the place of parents and expects teens and tweens to make responsible decisions about how they use the Library after school.

We look forward to seeing you and your child in the Library soon! Feel free to contact me directly if I can help your child in any way.

Sincerely,
Denise Jukniewicz
Teen Services Librarian
