

## **PRESS RELEASE**

### **Full Day Kindergarten Registration in the Mahwah Township Public Schools**

The Mahwah Board of Education announces kindergarten registration for township children who will be five years old on or before October 1, 2017.

The district uses an online pre-registration format for all incoming kindergarten students. The online pre-registration process consists of the submission of basic student enrollment information and a brief developmental survey completed by parents/guardians as well as links to health and physical forms, which will then be submitted as hard copies to the elementary school the child will attend in September.

Pre-registration can be completed at:

**<http://www.fridayparentportal.com/mahwah/preregistration>**

All families of incoming kindergarten students need to provide proofs of residency to validate enrollment eligibility. A list of acceptable documents can be found on the online pre-registration link. Parents/guardians requiring information regarding which school their child will attend should contact the district administrative offices at (201) 762-2407.

Registration (the sole purpose of which will be document collection) will be held at the school your child will attend. In order to register your child in one of our schools, please call the schools' main office to schedule an appointment. For your convenience a listing of our schools is included below:

Betsy Ross, 20 Malcolm Avenue, (201) 762-2251
