September 2019

Dear Parents,

It is time once again for the Mahwah High School Home & School Association to ask for your assistance. We ask that you volunteer your time to support events at the High School in the course of the year and that you consider making a membership dues contribution of \$20.00 per family.

The funds that we collect during our annual membership drive help us support the HSA Scholarship, Project Graduation, the Student Government, and other high school activities. With your help, we can work together to enhance our students' time at Mahwah High School.

Please complete the portion below and mail to the below address, or bring it in person to the Greeter's Desk in the Main office.

To all our new high school parents, welcome to Mahwah High School and to the Mahwah High School Home and School Association (MHS HSA.) To everyone else, welcome back!

The operations of the MHS HSA differ slightly from the elementary and middle schools. We do not fundraise as an association; our operating budget is comprised of the dues we collect in September and any profits we receive from the distribution of the district school directory. Our standing committees coordinate the district school directory, host school social functions and awards ceremonies and offer assistance to class advisors and the Student Council. Through the benevolence of our membership, we also offer scholarships to our graduating seniors.

Our meetings are held on Monday evenings at 7:00pm in the MHS Library/Media Center. Our schedule for 2019-2020 is as follows:

September 16, 2019
November 11, 2019
March 9, 2020
May 11, 2020
June 8, 2020

Meetings are attended by representatives of our administration, the HS Student Government and other guests during the course of the year, and present an excellent opportunity to ask questions, stay informed and become an active part in the establishment of a solid community with communication between our administration and other parents.

We look forward to seeing you!
