Good afternoon,

As we prepare for the possibility of a mandated health-related school closure, we feel it is necessary to gather information related to students' access to technology at home. We ask that you take a moment and complete a brief survey from our Office of Curriculum and Instruction. This information will allow for our school district to support any students who will be unable to take part in this type of learning. **We kindly ask that you complete this brief survey by Friday, March 13.**

Grades K-5 Access to Technology Survey: <https://forms.gle/EfzfsfoiH9wdGsLj8>

Grades 6-12 Access to Technology Survey: <https://forms.gle/sswKjXVViKLA4EB48>

If you have children in both instructional settings, please complete both surveys.
